Boggy Draw and Haycamp Mesa Projects

This is a continuation of the discussion the State Council had at their February 25th meeting. Questions were raised at that time about project costs, weed control and other items.

Sheila Lamb, State Council Forest Service Rep reached out to the applicant and presented the information in this conference call. The State Council reviewed and discussed the request and agreed to provide the funds as follows: \$58,000 will be available for the Boggy Draw burn and will expire June 30, 2020; \$116,000 will be available for Boggy Draw and Haycamp Mesa burns effective July 1, 2020 expiring June 30, 2021. These projects will be administered between HPP and the FS through task orders.

Tamarisk and Arch Clearances

Pat presented two draft write-ups for the State Council on Tamarisk and Arch Clearances. They were approved for HPP committee guidance.
