###### Iron Horse Ranch Tire Tank Request-Bob Carochi

Bob is asking for two tire tanks that will be installed on the Iron Horse Ranch. The HPP committee helped to fund a water development project on this property, and the landowner would like to run water to another 10ft tank on the property, and will then run any overflow to an 8ft tank on the neighboring STL property where they have a grazing lease.

**The committee approved one 10ft tank and one 8ft tank.**

**The meeting was adjourned at 9:50 AM**

**Next meeting: April 13th at 10:00 AM via video conference.**
